GLOW, BRIGHT & DECO

The **Lite** Collection includes three very distinctive styles:

GLOW, with its crisp white accents along the top and bottom of the fixture, creating a luminous glow.

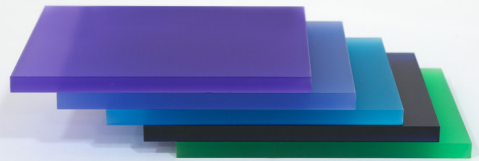

BRIGHT, offering 11 brilliant accent colors made from high-quality, 100% recyclable acrylic material.

DECO, a precisely machined, high-quality fixture with colorful acrylic accents and distinctive profiles.

All **Lite** luminaires can be custom designed with your choice of countless proprietary antimicrobial Lumenate® diffusers and with warm or cool complementary color accents. Each fixture is available in three unique shapes and two sizes, so you'll be able to create a myriad of exciting effects.
